This Document contains information proprietary to RIMSS Business Systems Technology. Use or disclosure without written permission is expressly forbidden.

Inventory Adjustments can be made in either of 2 different ways. Either manually entering each part and its adjusting quantity, or by entering the information into an Excel spreadsheet, then importing into the Inventory Adjustment screen.

To create an Excel spreadsheet you will need to use a specifically designed spreadsheet template. A link to download the template is provided at the bottom of the Help Document Web Page.

Sample of spreadsheet

| | A | B | C | D | E | F | G | H |
|---|-------------|------------|------------|--------------|---------------------|------------------|------|---|
| 1 | Item Number | Price Book | Oem Vendor | Oem Division | Quantity Adjustment | Value Adjustment | Memo | |
| 2 | | | | | | | | |
| 3 | | | | | | | | |
| 4 | | | | | | | | |
| 5 | | | | | | | | |
| 6 | | | | | | | | |
| 7 | | | | | | | | |
| 8 | | | | | | | | |
| 9 | | | | | | | | |

Column A – D

Enter information as required. **NOTE – If any of these fields are alpha/numeric they must be entered as UPPER CASE (CAPS).**

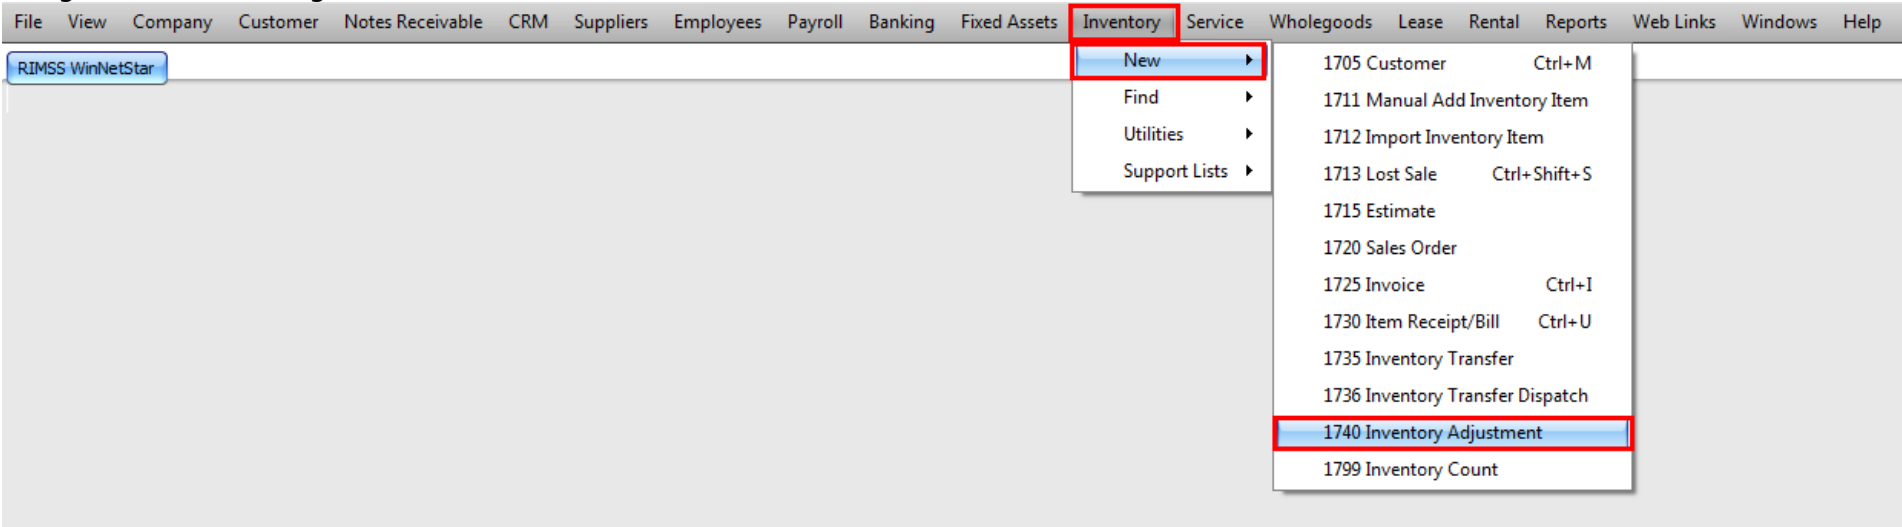

Column E & F

You have the ability to create a Quantity Adjustment, a Value Adjustment, or both. It is required that at least one of the two columns has a value for each part being adjusted.

Column G – Enter any Memo Information as needed per each line. This field may be left blank

After you have entered the information into your spreadsheet you will import into the Inventory Adjustment. See instruction on next page.

Navigate to the following menu selection

The following screen will open

The screenshot shows the 'New Inventory Adjustment' screen. The top menu bar is the same as the previous screenshot. Below the menu bar, there is a toolbar with buttons: Save, Save and Close, Save and New, Print, Void, Import Inventory Count, and Import Adjustment. The 'General' tab is selected, showing the 'Inventory Adjustment' form. The form includes fields for: Adjustment Account (with a dropdown arrow), Date (set to 2/17/2017), Doc. # (set to 0), Reference, and Memo. Below the form, there is a table titled 'Inventory Adjustment Details' with the following columns: Item Number, Description, Quantity, Quantity Adjustment, Adjusted Quantity, Value, Value Adjustment, Adjusted Value, and Memo. The table is currently empty.
